# President's Grand Final Report

We were greeted with a perfect day for a grand final on Sunday with blue skies and little wind, however, we were unable to achieve the victories we were looking for.

Steve and James's under 11's tried their little hearts out but were not good enough on the day. What a magnificent season this team had, coming from just 2 wins from the previous season to playing off in a grand final this year. Well done to all of you on your efforts this year – maybe you can go all the way next year.

Shaun Turner's under 16's also had a great season after winning the premiership in Red division last year to playing off in a Blue division grand final this year. After giving their opposition a big lead, they toughed out the game and were within spitting distance in the last quarter, before eventually going down in a great contest.

A huge congratulations goes to each of the teams and all involved from everyone at Research Junior Football Club

Matt Cronin

## **FORTHCOMING ANNUAL GENERAL MEETING**

Please come along to the RJFC Annual General Meeting.  
Monday, September 19, 7:30pm at the Research Park Clubrooms

The AGM is open to all, with the most important task to appoint the committee for season 2012.

All positions on the committee are declared vacant and nominations for any position are welcome.

We have a number of committee members finishing their roles as their son's junior careers have come to an end, so we need new people to put their hands up to fill these gaps. In particular, we are looking for representatives from the younger age groups.

If you would like to discuss joining the committee or if you would like to find out what is involved, please call Matt Cronin on 0419 508 858.

**Research Red 4-5-29  
defeated by  
Greensborough 6-6-42**

A hard day at the office for the boys this week. The game started well with our boys getting plenty of the footy, as did Greenborough, and they finished the first quarter with an early lead 1.2.8 to 2.1.13. The second quarter got away from us abit, with the opposition talls having a fair bit of control. To the boys' credit they battled on but just couldn't convert on the board, 1.2.8 to 3.3.34. An inspirational address from Stevo and a rev up from Macca saw the boys fire up and have another crack. They managed to peg back the margin slightly, 2.2.16 to 6.4.40. The boys started well in the fourth and managed to out score Greensborough but unfortunately they had too much of a lead to catch and won the flag much to the disappointment of our gutted boys, 4.5.29 to 6.6.42.

I'm sure I speak for Steve, Ann, Michele, Roger & Andrew when I say how fantastic the boys have gone about their footy this year and how proud we are at what they've achieved throughout the year. To the boys, thank you for a great year. You are all brilliant. Keep your heads up and I'm sure we will get one back on Greensborough next year. Thanks to all you parents for getting the kids to training and games and also for your support. And finally thanks to Matt and the rest of RJFC for allowing us to coach, it has been truly amazing!
